II.2. SUPPORTER

The natural person, legal entity or an organization without legal personality, who uses the services and donation opportunities available under the domain indicated in the preamble.

Foundation and Supporter are hereinafter jointly referred to as the Parties.

III. PURPOSE OF THE FOUNDATION

The mission of the Foundation is to show that it is possible to act like a human being in a dictatorship and during a wartime period, to choose the good. True heroes are the ones who heal and help, not take someone else's life. It also aims to present the true face of war and to convey authentic history to the general public for educational purposes. The Foundation's activities promote research and understanding of social, cultural and scientific contexts and encourage continuous education.

The property of the Hospital in the Rock as a building and institution bears a historical and scientific monument of outstanding importance for the past of Hungary. The Foundation operates a museum presenting the history and technology of the facility, military medicine, disaster and civil protection. It collects, preserves and protects cultural goods in the context of activities of public interest.

In the course of this activity, the Foundation performs public tasks in accordance with Section 3/A(1) of Act CXCV of 2011 on Public Finances (Áht.).

IV. PURPOSE OF DONATION COLLECTION

The Foundation is a committed supporter of the maintenance and transmission of Hungarian culture and the transmission of real values.

It uses the donations for the following purposes:

- To maintain the Hospital in the Rock Nuclear Bunker Museum and to convey the value of peace
- To support class trips for disadvantaged children
- Collection expansion, collection and restoration of exhibition objects
- Scientific work, to research the history of the Hospital in the Rock
